A MESSAGE OF GRATITUDE

The Glenboro Area Foundation would like to thank everyone who contributes to the everyday operations of the Foundation and supports our efforts in any way. Special thanks to:

- The Gazette for support with advertising and printing costs
- Guild Insurance for use of their facilities and help from staff
- Municipality of Glenboro/South Cypress for ongoing staff support.
- Other supporters whose contributions help offset our costs: The Winnipeg Foundation, the Province of Manitoba, Endow Manitoba and Community Foundations of Canada.

With this assistance the Foundation is better able to serve the interests of our community.

ANNUAL REPORT TO THE COMMUNITY - SPRING 2024

“A way to say thank you for the past, and a means of sharing in the future of Glenboro & Area”

Giving Event A Success!

The Glenboro Area Foundation Inc. (GAFI) decided to try something different this year to shine a spotlight on the annual November Endow Manitoba Giving Challenge.

A great turnout of community members joined the Board at the Glenboro Legion to enjoy a mini-buffet including complimentary beef-on-a-bun (cooked to perfection by volunteer Fred Brock!), veggie and fruit trays (made up in style by the Co-op!), and dessert squares (created at the Glenboro Bakery!).

At the mid-point in the evening, Glenboro’s own Hailey Jefferies impressed the crowd with her well-spoken account of the Prairie Fava journey.

The Board very much appreciated the community’s attendance as well as donations made during the evening – every dollar is a step toward the goal.

More and more Foundation supporters have come to see the value in making a donation during this special week when matching contributions from The Winnipeg Foundation and the Province of Manitoba help to make a substantial impact.

Donations to The Glenboro Area Foundation both that evening and throughout the Giving Week resulted in a total of \$19,185. As a result, for the 9th year in a row, the GAFI received the maximum amount in stretch dollars from The Winnipeg Foundation and the Province of Manitoba. Your Community Fund is the winner!

A MESSAGE FROM THE CHAIRMAN OF THE BOARD

As I think back on 2023 I am reminded what a huge effect volunteers have on what we do. Volunteering is at the core of many rural communities and the Glenboro area is very fortunate to have a great supply. The Foundation sees these volunteers at work in almost every grant that is awarded. The Glenboro Area Foundation is very pleased to be the silent partner in many community projects led by these volunteers. I would ask everyone to step up and volunteer in whatever way they can. The need is great and the rewards can be huge.

At the beginning of 2024 longtime board member Cindy Pringle decided she needed to attend to her bucket list (i.e. spend time with her grandson) and resigned her position. The Board would like to wish Cindy well and thank her for the years of dedication to your foundation.

The Board feels fortunate to welcome two new members in 2024. Alice Barr and Kirby Wallis will join and, in the process, lower our average age by a few years! If anyone feels that The Glenboro Area Foundation is something they would like to become involved in, please contact a board member. New people and ideas are always welcome.

I would like to thank all the people that supported our foundation in 2023. It is with your support that we can continue to make a difference.
- Ron Jefferies
