

OPPORTUNITY ALERT!

FoodCycler™ Pilot Program

Municipality of Glenboro South Cypress residents have an exciting opportunity to purchase a FoodCycler™ at subsidized price. However, municipal participation in the program depends on resident involvement.

If you would like to participate, please let us know by completing the survey in the description!

Why Should I Participate?

Did you know that food waste makes up the majority of household waste, and when put in the landfill it is a major contributor to greenhouse gas emissions?

By participating in the FoodCycler™ Pilot Program, you can keep food waste out of the landfill - reducing your carbon footprint and supporting the Municipality of Glenboro South Cypress' sustainability goals.

What is Required of Me?

1. Purchase a FoodCycler™ at a subsidized rate:
Eco 3 (~~\$600~~ \$200) or Eco 5 (~~\$800~~ \$300)

2. Use your FoodCycler™ and track your cycles for
12 weeks, completing a brief survey at the end

3. Continue to use your FoodCycler™
and divert food waste
